PRESS RELEASE

Fume Alert Security Alarm System

Downey, CA, 04/01/2015: The Downey Police Department has recently purchased a Fume Alert Security System. This system will be available for use by Downey residents when their homes are to be tented for fumigation. Occasionally the fumigation tents attract burglars because homes are left unattended for a number of days. The Fume Alert System is a portable alarm system that will be installed in the home and removed once tenting is completed. If there is an intruder, the alarm will notify the Police Department and officers will respond. To make reservations for the system please contact Det. Price at (562) 904-2359 or email at jprice@downeyca.org

Press inquiries may be directed to Sgt. Kevin McCaster at (562) 904-2304
