PRESS RELEASE

STREET SWEEPING ENFORCEMENT IN THE CITY OF DOWNEY

Downey, CA, April 1, 2020:

The City realizes there has been some confusion as to what other local cities are doing with regard to street sweeping citations, versus what the City of Downey is doing.

The City of Downey is enforcing street sweeping violations to ensure the health and safety of the community. The City has received numerous complaints from both residents and businesses regarding the increase of trash and other debris in areas where vehicles are not being moved to allow for street sweeping. Also, several disposable gloves currently being used by members of the public and that may be contaminated are being left on public streets and parkways, creating a larger health concern.

In an effort to clarify and provide residents enough time to receive this information, the City will begin street sweeping enforcement on **Monday, April 6, 2020**.

Additionally, the City has and will continue to enforce all other parking violations.
