## **Lexipol Daily Training Bulletins (DTB's)**

---

Beginning on September 16, 2021, we are introducing a new training component offered by Lexipol that compliments and reinforces our existing Downey Police Manual. Each month, personnel will receive a package of Daily Training Bulletins (or DTB's) through Lexipol and an email notification of their issuance. DTB's provide scenario based training to enhance understanding of policies and help our personnel apply these policies to realistic situations.

After logging into Lexipol, click the "DTBs" tab to access the training. Each DTB includes a brief scenario followed by an identified issue, a policy reference (if applicable), a brief analysis, and concludes with one multiple choice question relating to the issue. Answering the question correctly completes the assigned DTB (no record is kept of your attempts to answer). The Daily Training Bulletins are intended to be brief, and most can be completed in 2 to 3 minutes. While reading scenarios, please keep in mind that some references to special units or teams may differ in name or acronym from what we utilize, however, the concepts presented are still consistent with our policies, procedures and expectations.

We will begin by limiting this additional training to all sworn personnel. Once issued, personnel are responsible for completing DTB's in a timely manner (by the end of the month, unless otherwise excused by a supervisor).
