

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: OFFICE OF THE CITY MANAGER

**BY: MATTHEW BAUMGARDNER, P.E., DIRECTOR OF PUBLIC WORKS/
CITY ENGINEER**

DATE: NOVEMBER 28, 2023

**SUBJECT: RECEIVE AND FILE THE CITY OF DOWNEY AMERICANS WITH
DISABILITIES ACT (ADA) TRANSITION PLAN ANNUAL REVIEW AND
UPDATE**

EXECUTIVE SUMMARY

The City Council will consider receiving and filing the City of Downey’s Americans with Disabilities Act (ADA) Transition Plan Annual Review and Update. The annual review and update of the City’s ADA Transition Plan has been developed to inform the City Council and public of the programs, activities, and infrastructure improvements that have been made over the past year to bring the City’s infrastructure into compliance with the ADA requirements.

RECOMMENDATION

That the City Council:

Receive and file the City of Downey ADA Transition Plan annual review and update.

BACKGROUND

The Americans with Disabilities Act (ADA) requires public agencies to perform a self-evaluation of infrastructure, programs, and activities and develop a plan for bringing infrastructure into compliance with the ADA. Over the last eight years, the City of Downey began working on an ADA program, which included a self-evaluation and development of a transition plan to bring City infrastructure into compliance with the ADA.

The self-evaluation process was conducted in Fiscal Year 2016-2017 by the City’s consultant, Disability Access Consultants (DAC), which included inspections of City facilities and public rights-of-way. The inspection findings, including information regarding the type of ADA upgrades and repairs, locations, photographs of those areas, and the estimated dates the findings were scheduled to be repaired, were subsequently developed into a transition plan.

As part of the development of the transition plan, the City reached out to residents and organizations serving the needs of persons with disabilities for input on how the City can

best serve the needs of persons with disabilities. After the self-evaluation and transition plan were completed, the transition plan was made available for public review on the City's dedicated ADA webpage on the City's website. The City appointed an ADA Coordinator to address City-related ADA matters, created an ADA grievance policy and grievance form, dedicated a webpage on the City website for ADA matters, and created various forms of communication in different languages for members of the public to contact the City regarding these items (dedicated telephone line, email address, etc.). The public may submit ADA complaints in person or through the web page, as well as get information on the City transition plan, ADA grievance policy, and related procedures.

On January 23, 2018, the City Council received and filed the City of Downey ADA transition plan. As infrastructure improvements, including ADA upgrades and repairs, occur continuously throughout the year in the adopted Capital Improvement Project (CIP) program, the City Council directed Public Works staff to perform an annual review and update of the transition plan to ensure that the plan remains relevant and obtainable. For the past four years, the City Council received and filed the subsequent City of Downey ADA Transition Plan annual reviews and updates.

ANALYSIS

The City has completed numerous ADA repairs and upgrades to City facilities and public rights-of-way through the CIP program and other routine maintenance activities since the ADA transition plan was completed. Staff has been utilizing the DAC software to assist in tracking ADA repairs and upgrades, which has allowed staff to update the transition plan as needed.

For the period of October 1, 2022 through September 30, 2023, 19 ADA grievances and accommodation requests were received by the City's ADA Coordinator and Public Works Department. Of those requests, 5 were resolved by the ADA Coordinator, 13 were addressed by the Public Works Department, and 1 was added to an upcoming CIP that will be completed within the next year.

Furthermore, for the same period, the City has completed approximately 326 sidewalk and driveway approach repairs and upgraded 184 curb access ramps with a total cost of approximately \$1,120,405. The following is a summary of the ADA repairs and upgrades completed:

Public Rights-of Ways

Project No.	Project Name	Locations	Type of Upgrade or Repair
CIP No. 21-06	5th Street Pavement Rehabilitation Project (Brookshire Avenue to Lakewood Boulevard)	5th Street	Curb Ramps, Sidewalks & Driveway Approaches
CIP No. 22-03	Alleys North and South of Stewart & Gray Road Pavement Rehabilitation (Patton Road to Lakewood Boulevard)	Various locations	Curb Ramps, Sidewalks & Driveway Approaches
CIP No. 22-17	Residential Streets Pavement Rehabilitation, Area 8	Various locations	Curb Ramps, Sidewalks & Driveway Approaches
CIP No. 23-01	FY 2022/23 Annual Miscellaneous Concrete Repairs (Council District 4) and ADA and Miscellaneous Improvements (Citywide), Lakewood Boulevard Parkway Improvements	Various locations	Curb Ramps, Sidewalks & Driveway Approaches
CIP No. 22-16	Residential Streets Pavement Rehabilitation, Area 2	Various locations	Curb Ramps, Sidewalks & Driveway Approaches
CIP No. 22-18	Residential Streets Pavement Rehabilitation, Area 4	Various locations	Curb Ramps, Sidewalks & Driveway Approaches

A detailed list of City facilities and public right-of-ways that have been improved to comply with current ADA requirements for the period of October 1, 2022 through September 30, 2023 is included in Attachment A.

City staff is anticipating that ADA improvements will be implemented on the following public right-of-way intersections and corridors per the “Williams and Rockwell case” settlements, as shown on the next page:

Public Right of Way Locations	Anticipated Construction in Fiscal Year (FY)	Projected Completion
Telegraph Road - Songfest Avenue to Passons Boulevard ^A	FY 21/22	6/30/2022 ^A
Telegraph Road - Serapis Avenue to Manzanar Avenue ^A	FY 22/23	6/30/2023 ^A
Lakewood Boulevard - Cherokee Road to I-5 Freeway ^B	FY 24/25	6/30/2025 ^B

^A Project work completed.

Project was originally scheduled to be completed in FY 19/20 or 21/22, however due to delay in availability of project funding, the project will be completed in FY 24/25.

^C Project was originally scheduled to be completed in FY 20/21, 21/22 or 22/23, however due to delay in availability of project funding, the project will be completed in FY 23/24.

^D Project was originally scheduled to be completed in FY 20/21, however due to delay in availability of project funding, the project will be completed in FY 25/26.

The total cost for ADA repairs and upgrades that have been completed over the last seven years is approximately \$7.3 million. Over the next year, staff is anticipating implementing over \$1 million in ADA improvements and concrete sidewalk repairs as part of the Measure M and Measure R bond-funded street rehabilitation project at various locations in the City.
